Cutty Nelson & Lionel Chen,
Directors of Goodwill (DoG)
Welcome to the Norfolk Chamber Music Festival – Yale Summer School of Music. This summer, you will be following in the footsteps of musicians like Rachmaninoff, Sibelius, Kreisler, as well as the Brentano, Guarneri and Tokyo String Quartets, NY Woodwind Quintet and the NY Brass Quintet with the beautiful Ellen Battell Stoeckel Estate in historic Norfolk, Connecticut, serving as the backdrop for your activities. We hope you will find your stay musically productive, relaxing, and stimulating, and we encourage you to take advantage of all that the surroundings have to offer.

Norfolk is a very small New England town. There is a country store (with a few toiletries and incidentals), a bank with an ATM machine, a post office, a restaurant, and a pub. There are no music stores or clothing stores for miles.

In response to the current coronavirus pandemic, we ask that Festival participants reduce contact with members of the community to the greatest extent possible. Norfolk residents will walk and bike through the Festival grounds but are not allowed in any building.

Please do not hesitate to approach the staff if you need assistance. We are here to help you in any way we can.

Have a wonderful session!

The following information is offered to help you get acquainted with the Festival. Please read carefully. You are responsible for knowing and following the rules and policies listed. Violation of NCMF / University rules and policies, town ordinances, and state law may result in the revocation of your Fellowship or loss of your refundable deposit.
COVID-19 Vaccination | Testing

VACCINATION

All participants are required to be **FULLY VACCINATED** for Covid-19, including any booster dose(s) when eligible, before arrival in Norfolk.

Being fully vaccinated includes the two-week period after the final dose of the vaccine. **There are no exceptions.**

Please direct all covid-related questions to Benjamin Schaeffer, Norfolk’s COVID-19 health and safety officer, at benjamin.schaeffer@yale.edu.

Please note that the time frame of the vaccination process ranges from five to six weeks depending on the manufacturer of the vaccine. Full vaccination requires a period of:

- 2 weeks for the Johnson & Johnson vaccine
- 5 weeks for the Pfizer vaccine
- 6 weeks for Moderna vaccine

PRE-ARRIVAL

Yale University requires all participants to have one documented, negative Covid-19 PCR test within 72 hours prior to arrival in Norfolk. Rapid antigen tests are not accepted. Pre-arrival PCR tests are the responsibility of the participant and are not covered by the Festival. All participants will have a second test within 24 hours of arrival in Norfolk, provided by the Festival.

ARRIVAL

Participants must be checked into the Festival by **2 p.m. on Sunday, August 14.** Masking upon arrival is required until the completion of a Festival provided RAT.

**At 3 p.m. the Festival will provide a University required second "gateway" Covid-19 PCR test.**

Please note the required arrival time in Norfolk and the timing of the Covid-19 test. Be aware that you cannot have anything to eat or drink other than water for 30 minutes prior to your test.

If you miss the 3 p.m. test you will be charged for the cost of your Covid-19 test.
DURING THE SESSION

Until the “gateway” PCR test results are received on Friday, June 24, a daily RAT is required. The Festival will provide RATs for daily use. **A daily RAT is required** before all unmasked activities. Completion of tests are on the honor system.

FACE MASKS

YHS requires ASTM or N95-equivalent masks. Not permitted are: bandannas, scarfs, gaiters, and masks with an exhalation valve. Masks must fit well and cover your mouth and nose. A daily RAT is required before all unmasked activities.

A NOTE ON TESTING

As a department of the Yale School of Music we are required to follow Yale University’s guidelines and protocols for the safe operation of our program. Our plan for operation has been approved by Yale University Health & Safety Committee, which develops all the protocols for the University.

Yale Health & Safety (YHS) is comprised of experts both from the Yale Medical School and the Yale School of Public Health, who are at the forefront of coronavirus response and treatment. The saliva test we will use was developed by researchers at the Yale School of Public Health. We defer to their expert opinion, and we are not in a position to second guess their scientific knowledge on this matter, which is considerable!

They have determined that weekly testing is necessary this summer. While the State of CT is allowing audiences for in-person attendance at concerts and such, Yale is allowing in-person attendance within certain guidelines including vaccine requirements and masking. The safety of all our participants and allowing for the best possible educational experience is paramount in our planning for the summer.

PRIVACY

Each participant of the Norfolk Chamber Music Festival is required to submit their vaccination record to Norfolk and to test regularly for COVID-19. The Norfolk Chamber Music Festival abides by the privacy practices of the Yale COVID-19 Campus Health.
& SAFETY PROGRAM. All personally identifiable COVID-19 health information, including vaccination records and test results, is held in strictest confidence; only Norfolk staff members with health and safety responsibilities have access to this information.
